- Cat6 Patch Panel 568B-48 Port

Description

Tripp Lite's Category 6 Patch Panels offer you all the functionality and compatibility as any name brand. Each panel comes with 110-type termination, while meeting and exceeding EIA/TIA TSB-40 Category 6 connecting hardware specifications. Color coded for both EIA/TIA 568A & 568B installations. 48 ports ensure a wide range of plug-n-play options. The clear numbering on both the front and back of each panel gives you a quick and easy way to identify cable runs and the high density 19in wide, 2U High, panel design will save you valuable space in on the rack.

Features

- Cat6
- UL approved
- Ports clearly numbered both on front and back
- Labels on front enable each port to be named
- Color coded label on back offers both EIA/TIA 568A & 568B wiring
- Metal frame
- EIA/TIA 2/32 spacing
- Rack mountable on a 19" rack (2U High)
