Rotary handle

The through-the-door rotary handle operating mechanism is available in NEMA 3(R), 12 and 4X versions. Units are offered either complete (rotary handle + operating mechanism + shaft 12") or as separate components (different shaft sizes sold separately). Lockable in OFF position.

Suitable for	Catalog Number	Multiplier Symbol
Rotary handle + mechanism + shaft 12" (UL Type 1, 3(R), 12)
