# **Miniature Contactors - CWC Series**

The CWC Series Mini Contactor Line is a Compact Solution for the Control and Operation of Circuits. Its extensive lineup of modular and tool-free accessories makes this series the most flexible mini-contactor available today. The CWC Series miniature contactor features more horsepower for its size than any other miniature contactor on the market.

### **Standard Features:**

- Direct Mounting to RW17D Series Thermal Overload Relays
- Direct Mounting to MPW18 and MPW40 Series Manual Motor Protectors
- Low Consumption DC Coils
- Tool Free DIN Rail Mountable
- Frame size remains the same for AC and DC coil contactors up to 16A
- Complete line of snap-on accessories
