Re: Discontinuation Notice

Dear sir or Madam,

WAGO has long offered a range of hand tools under the 206 series for the stripping and application, or crimping, of wire ferrules. WAGO has also offered a range of cable cutting and stripping solutions, as well as test and measurement devices. The life cycle of some of these products is coming to an end with replacement options now being offered in a wider range and expanded offering. Thus, we would like to inform you that the following WAGO articles will be discontinued and advise of their replacements.

Affected Products:

206-174	Cable Stripper
206-173	Spare Blade
206-171	Cable Stripper
206-170	Spare Blade
206-124	"Quickstrip 10" stripping tool
206-125	"Quickstrip 16" stripping tool
206-126	"Standard" blade cassette
206-127	"V" blade cassette
206-128	"Standard" blade cassette
206-204	"Variocrimp 4" crimping tool
206-203	Retaining Spring
206-210	Ratchet Spring for Variocrimp 4 & 16
206-216	"Variocrimp 16" crimping tool
206-213	Retaining Spring
206-225	Crimping tool 25
206-250	Crimping tool 50

End of Life Program:

WAGO will continue accepting orders for these products until 7/31/2019 or until stock is depleted. This date is considered "last call" or final opportunity to place an order for any of the affected products. After this date, WAGO cannot accept any orders for the affected products.

WAGO offers tool kits (part number 60348435) that contain both 206-124 and 206-204. These will be offered for a limited time, until stock is depleted. At that time these kits will be changed to include the replacement tools for those parts.

Alternative Options:

The discontinued items may be replaced by alternative WAGO products with higher performance and additional features. The alternative products offer a wider range of functionality and should be reviewed regarding their comparative characteristics.
