Upgrade to LED Technology
Product Comparison Guide

Waldmann
ENGINEER OF LIGHT.

| Mach LED Plus Direct Replacement for RL70 Series High output and through-wired variants available for all models, consult factory	RL70 Series Part #: 108 620	Mach LED Plus Part #: 113 059 000	Mach LED Plus Part#: 113 055 000
Length	17.6in. [447mm]	20.1 in. [511mm]	20.1 in. [511mm]
Diameter	2.75 in. [70mm]	2.75 in. [70mm]	2.75 in. [70mm]
Lamp Life (hrs)	10,000	50,000	50,000
Operating Voltage	Ballast Dependant	100/120/220-240V AC	24V DC
Power Consumption	36W	21W	18W
Lumen Package	2,900	1350	1350
Illuminance (Ave. Lux)	337	506	506
IP Rating	IP67	IP67	IP67
Connection	Wire w/ Cable Gland	M12 Waterproof	M12 Waterproof
Photometric Data			
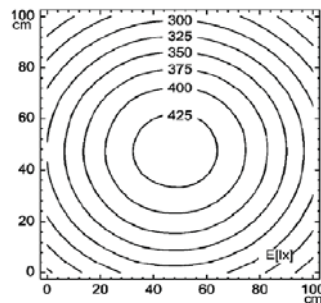

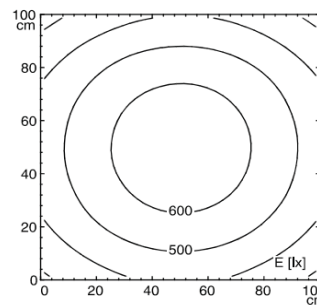

New Product Highlights

•Up to 70% energy savings compared to fluorescent lamps
•Maintenance-free LED light source
•Robust Aluminum housing, high performance plastic, and 4mm safety glass
•Resistant to coolants and lubricants
•Reuse existing RL70 mounting when replaced with similar length
•ETL/cETL approved
